

2022 Auction Sponsorship Opportunities

Event sponsors, like you, help to ensure that every dollar raised at the auction goes directly to support the students and programs at Queen of Peace School. Our sponsors are publicly and proudly recognized in a variety of ways.

All sponsor names, and or logos, will be prominently displayed in the program and will be in rotation on the video screen during the auction itself, and on table signs. Sponsors will receive recognition in a series of posts on our Facebook and Instagram pages throughout the year.

Offerings are subject to change: In the event of a virtual auction, all sponsor names, and or logos will be prominently rotated throughout the virtual platform.
