 School Staff

### PRE K 3 Families:

The three year old program is either 8am -11:15 or 12pm-3:15, 5 days a week. This schedule and the age of the children make it a good choice to have their pick up and drop off separate from the rest of the school.

Please use this map and the ring doorbell to come and go with children in the 3 year old programs.

All school business is still conducted at the front desk in the main building.
